Dear Friends of Sunny Ridge,

How have the birth parent services at Sunny Ridge touched your life? Our annual Fashion Show Benefit is a wonderful opportunity to come out in support of the care and services we provide to women in need. This year on behalf of our staff, Board of Directors, and those we serve—I ask you to make a special effort to join us. Consider bringing a table of girlfriends, siblings, parents, daughters or friends. Make this a special day out—in support of the important work we do each day.

I hope to see you on Saturday, March 13th!

Birth Parent Services & Domestic Adoptions*

Sunny Ridge Family Center provides a comprehensive program for a woman faced with an unplanned pregnancy. Women from Illinois and Indiana contact Sunny Ridge for free professional counseling. Our counselors welcome the challenge of helping a woman, often feeling heart-broken and abandoned, to focus on the realities of her situation and accept her role as a mother in making decisions for her child's future. We want her to make a choice that she can live with, whether it is to parent the child or make an adoption plan. Our goal is to offer adoption as an option, without pressure, in a way that values the life of the child and honors the birth parent(s) in making decisions on behalf of her (or their) child. In addition to counseling, our services may include temporary foster care, pre-natal classes, and referrals for medical care. Women who receive our services are not required to place their children for adoption. In fact, many women we serve elect to parent their children. We receive no state funding, and are supported entirely through voluntary contributions, fund-raising events, and adoptive service fees. Women can use our toll-free number, 1-800-BABY MOM, to find out about the many choices open to them in an agency adoption which are not available in an adoption arranged by an attorney. For additional information, call (630) 754-4500, or visit our web site at www.sunnyridge.org.

Sunny Ridge Family Center is licensed as a child welfare agency by the Illinois Department of Child and Family Services (#019976), and by the Indiana Family and Social Services Administration, Division of Family and Children, as a child placing agency.
